PREAMBLE

This Agreement is entered into by the State of Missouri (Departments of Agriculture, Economic Development, Health & Senior Services, Labor & Industrial Relations, Mental Health, Natural Resources, Public Safety, Revenue, Department of Corrections and the Office of Administration), hereinafter known as “Employer”, and AFSCME Council 72, hereinafter known as “Union”, on behalf of the eligible employees in the Craft and Maintenance bargaining unit, as described in Appendix A. It is the purpose of this Agreement and the intent of the parties to establish harmonious understandings and relationships between Employer and Union. Therefore, the parties agree by their duly authorized agents to comply with the terms set forth in the following pages for the specified term of this Agreement.

Article 1 **RECOGNITION**

Section 1. Exclusive Bargaining Representative

The Employer recognizes the American Federation of State, County and Municipal Employees (AFSCME) Council 72 on behalf of its affiliated locals, as the sole and exclusive bargaining representative in the unit described in Appendix A to meet, confer and discuss proposals relative to salaries and other conditions of employment of the employees of this bargaining unit in accordance with RSMo 105.500 – 105.530. The Employer will permit access to the Union so that it may represent its members in accordance with applicable state or federal laws or regulations. The Employer will not meet and confer or bargain with any other Union or employee association with reference to changes or improvements in terms and conditions of employment of employees in this bargaining unit.

Section 2. Scope of Unit

The scope of this unit is described to include all eligible employees of the Employer who are employed in the classifications listed in Appendix A, but excluding those employees who are managerial, supervisory, confidential, temporary, emergency, provisional, or who are otherwise excluded by law, or who occupy classifications not listed in Appendix A.

The parties agree to discuss the status of unclassified, full-time employees who perform bargaining unit functions.

Section 3. Bargaining Unit Work

The Employer will use qualified employees to perform the work of the bargaining unit and avoid, insofar as is practicable, assigning bargaining unit work to or filling bargaining unit vacancies with non-bargaining unit employees.

Article 2

UNION RIGHTS

Section 1.

The parties recognize that, in accordance with 105.500 – 105.530 RSMo and the terms of this Agreement, any employee of the bargaining unit who requests Union representation pertaining to conditions of employment will be afforded this right. The parties agree that the intent of the following Section is to provide guideline for administering such representation.

Section 2. Union Activity and Work Place Access

- a) Activities permitted without loss of pay under this section include, pursuing, processing, and presenting bargaining unit employees' grievances and representing said employees in meetings with management. Time off for activities outlined in this section will not be unreasonably denied. Work devoted to Union responsibilities will not cause the day to be extended or overtime to be earned. All of the activities referenced in this section are permitted, provided that these activities do not interfere with the necessary operations of state facilities and the work of those involved.
- b) Each steward must notify his/her supervisor and obtain approval prior to leaving his/her work area or assignment, with as much advance notice as is practical according to the circumstances, and must notify the supervisor upon return to the work area or assignment. Approval will not be unreasonably denied.
- c) On-duty Union stewards or officers from other work locations arriving at a work location to represent an employee will obtain approval from the work location head or designee of their work area and from the work location head or designee of the work area to which they are going. Such approval will not be unreasonably denied. Off-duty Union stewards or officers must follow these procedures, also obtaining approval at the facility or site level as appropriate. Such approval will not be unreasonably denied.

At an employee's request, other employees who are on duty may serve as a witness on behalf of the employee, provided that they meet the requirements in the subsections above.

- d) Non-employee Union representatives can perform the activities referenced in this section, but must obtain approval from the facility or work site head or designee when entering the facility or work site, as feasible and appropriate. Access will not be unreasonably denied.
- e) Employees, when conferring with the Union and its representatives (employees or non-employees) about work-related problems, have the right to privacy and confidentiality.

Section 3. Time Off for Union Activities

- a) Consistent with staffing needs of the Employer and the appropriate leave request procedures, the Employer agrees to allow stewards or local Union officers the use of compensatory time, annual leave, and/or leave without pay for local Union meetings, Union conferences, Union training sessions and State or International conventions. Employees absent from work pursuant to this Article shall continue to accrue seniority.
- b) Consistent with staffing needs of the Employer, the Employer will grant leaves of absence without pay in accordance with the Rules of the Personnel Advisory Board (1 CSR 20-5.020).

Section 4. Distribution and Display of Union Literature and Other Material

The union shall have the right to distribute or display Union material within a worksite on union bulletin boards and in other approved locations. Pins, buttons and stickers may be worn in conformance with established dress codes, which will not discriminatorily prohibit union logos. Any distribution of material by employees must occur during non-work time. The employer has the right to remove or prohibit the display or distribution on state property of Union material if there is a compelling reason to believe that the material is political in nature or is unduly disruptive to agency operations. If the employer removes material or prohibits its distribution, the employer will notify the local steward or other union official to discuss such actions.

Each facility or work site will provide at least one designated location for posting Union material. Existing AFSCME bulletin boards will be maintained. The Employer agrees to install additional secure or non-secure bulletin boards, provided by the Union, at mutually agreed-upon locations. The number of bulletin boards at any facility or worksite will be mutually agreed upon. Bulletin boards will be placed inside the work or break area so that all employees of the bargaining unit have regular access to them, and the Employer will place them for easy and unobstructed viewing. The Union will ensure that the Employer has a working key to any secure bulletin board at all times.

Section 5. Information Provided to Union

- a) Once each quarter, the Office of Administration will provide the Union with a current list of active bargaining unit employees. This list will include the employee's name, agency or department, work location, job classification. The list will also include a unique employee ID number other than the Social Security number for the purpose of tracking changes from one reporting period to the next. Upon request to the Office of Administration, Division of Accounting, the Union may receive a list of state employees along with their home address of those who have authorized the release of their home address in accordance with the procedures of the Division of Accounting.
- b) The Union will receive such information via email, from the Office of Administration.

- c) The Employer will notify the Union as soon as reasonably possible when a bargaining unit position is eliminated to the extent that it will effect the employment conditions of at least one bargaining unit employee and upon request discuss with the Union such action.
- d) Upon request, the Employer will provide any additional information to the Union in accordance with the provisions of Chapter 610, RSMo, to assist them in their representation function of the bargaining unit or bargaining unit employee.

Section 6. Union Meetings

The Employer agrees to allow use of available conference and meeting rooms by the Union for the administration of the terms of this agreement. Use of these rooms must be requested in advance and approval received from the facility or work site head or designee. Such meetings will not disrupt the operation of the facility or work site.

Section 7. Union Orientation

The Union will be permitted 15 minutes to make a presentation to new employees during new employee orientation sessions. The Employer shall provide reasonable notice to the Union (at least seven (7) days) in advance of orientation/training classes for new employees in the bargaining unit. Such presentations will be conducted by staff representatives of AFSCME, Council 72. In the event a Council staff representative is unavailable, a local steward or officer who has been properly trained by the union to conduct this presentation may be permitted, upon request from the union, to deliver the presentation. This must occur during the non-work time of the employee delivering the presentation and must be limited to circumstances when staff representatives are reasonably unavailable.

The Union's presentation to new employees will be limited to information describing the Union's functions and responsibilities as the sole and exclusive bargaining representative. The following topics are appropriate for this presentation:

- Introduction of AFSCME staff and/or local steward or officer;
- Description of the Union's available services related to representing employees as outline by this Agreement;
- How and when to contact the Union; and
- How to sign-up for voluntary membership dues deductions, including provisions for revoking such authorization.

Representatives of the Employer will be permitted to be present during this or any other portion of the new employee orientation process.

Section 8. Notice to New Employees

When an employee is newly employed, the Employer agrees to provide such employee, in addition to any other material which the Employer provides new employees, a written notice provided by the Union and submitted to the Office of Administration stating that the Union is recognized by the Employer as the exclusive bargaining representative of classifications listed in Appendix A, and that there is currently an agreement in effect

between the Employer and the Union concerning terms, conditions and privileges of employment.

Section 9. Successor Agreement

For the purpose of negotiating a successor agreement, the Union and the Employer agree to meet prior to the first negotiation session to establish ground rules. During the negotiation and ratification process of said successor agreement, provisions of the current agreement remain in full force and effect provided that the negotiations or ratification processes are ongoing.

Section 10. Union Stewards and Officers

The Union agrees to provide the Employer with the names of its stewards and officers and their respective jurisdictions.

Article 3 **MANAGEMENT RIGHTS**

Section 1.

It is understood and agreed that the Employer possesses the sole right and authority to operate and direct its employees and its various divisions, agencies, and operations in all aspects including, but not necessarily limited to, all rights and authority exercised by the Employer prior to the execution of this Agreement, except as modified by the terms of this Agreement.

The Governor and the Legislature have the sole authority to determine the budget for the Employer. Further, if at the sole discretion of the Governor, civil emergency conditions

are determined to exist, including but not limited to riots, civil disorders, floods, tornadoes, or similar catastrophes, the provisions of this Agreement may be suspended by the Governor during a designated period of time. Should such a civil emergency occur and suspension of this Agreement become necessary, the Governor or his designee shall advise the Union of the nature of the emergency.

Rights listed in this Article shall be exercised in a manner consistent with specific terms of this Agreement.

Article 4

NO STRIKES OR WORK INTERRUPTIONS

The Union shall neither cause nor condone, nor shall any member of the bargaining unit participate in, any strike, work interruption, or any type of work curtailment or slowdown in any office or facility. The Union will instruct all its stewards of their obligations under this Article and all bargaining unit members as to the meaning of it.

The Employer recognizes that employee lockouts are contrary to good management and consequently agrees that no lockout of employees shall be instituted

Article 5

CHECKOFF/UNION SECURITY

Section 1. Deductions

The Employer agrees to deduct Union membership dues in the amount designated by the Union from the pay of those employees who individually request such deduction. Under Office of Administration procedures, the employer shall remit the deductions semi-monthly to the Union at the designated address. The Union shall advise the Employer and its members of any increase in dues or other approved deductions in writing at least 30 days prior to its effective date. No deductions shall be made for initiation fees, fines, or assessments.

Requests for any of the above shall be on a form agreed to by the parties, and shall adhere to the procedures established by the Commissioner of the Office of Administration. Such form shall include specific information on revocation of membership.

An employee who has previously authorized payroll deductions pursuant to this section shall continue to have such deductions made and shall not be required to reauthorize such deductions unless that employee has previously withdrawn authorization for such deductions in accordance with the appropriate revocation procedures and now seeks to reauthorize them.

Section 2.

The parties recognize that legal deductions and other withholdings such as Social Security and federal and state income taxes shall have priority over union dues;

accordingly all legal and required deductions from an employee's wages shall be made before union dues are deducted. When an employee is in non-pay status for an entire month, no deduction shall be made from future earnings to cover that pay period. If an employee is in non-pay status during only part of a pay period, and/or if the wages and salaries are not sufficient to cover the entire dues deduction, no deduction shall be made.

Section 3.

If the Employer over-withholds an amount from an employee's wages or salary, and remits same to the Union, the Union agrees to make an immediate refund to the employee in the amount of the overpayment upon notification from the Employer.

Section 4. Revocation of Membership

Any employee who has previously submitted a written authorization for voluntary deduction of union-membership dues may revoke the authorization in accordance with the following procedure:

- Any authorization to deduct dues from wages and salaries of a member shall be irrevocable from the date of receipt by the appropriate payroll or human resource office until the succeeding April 1, Written revocation of such deductions must be received by the Office of Administration or payroll or human resource office by March 15, in order to be terminated effective the following April 1. Dues deductions authorizations shall continue in full force and effect from April 1 to March 31 of each year unless revoked in writing by the preceding March 15.
- New members will have sixty (60) days from the effective date of any dues deduction authorization to submit a written revocation to their human resources or payroll office. The revocation in this circumstance will become effective on the next available payroll period following the revocation.
- When an employee receives a promotion or other transfer out of the bargaining unit, it is the responsibility of that employee to notify their payroll or human resources office to stop dues deductions.

Section 5.

Each month the Office of Administration will provide to the Union by electronic means a listing of employees who have union dues deducted from their wages or salary.

Section 6.

Union membership cards will be provided to the Employer by the Union. The cards, which will be approved by the Office of Administration, shall be made available for the employees' use in each district office or facility and shall be provided to all new employees in the bargaining unit.

Section 7.

As a third party beneficiary of any dues deduction authorization, the Union shall be responsible and may not hold the State responsible for pursuing or defending any legal issues pertaining to this Article.

Further, the parties agree not to, directly or indirectly, by intimidation or coercion, compel or attempt to compel any employee to join or refrain from joining the Union. The Employer acknowledges and agrees that a dues agreement is between a member and the Union and management shall not intentionally interfere with or attempt to enforce said agreement.

Article 6
NON-DISCRIMINATION

Section 1. Prohibition Against Discrimination

- a) It is the continuing policy of the Employer and the Union that the provisions of this Agreement shall be applied to all eligible employees according to federal laws and state laws, without regard to age, race, sex, religion, color, national origin, political affiliation, disability, Union membership status or lack thereof, or the exercise of any rights set forth in RSMo 105.510.
- b) In addition, the Employer and the Union respect and value the diversity of the workforce and agree that unlawful discrimination should not be tolerated.

Article 7
GRIEVANCE PROCEDURE

Section 1.

Grievances will be governed by the grievance procedure established by each agency's policy.

The parties agree that the Union will be the exclusive representative of the interests of employees covered by this Agreement in the processing of and redress of grievances under the grievance procedure in this Article, except that nothing in this Agreement will limit or restrict employees' rights to represent themselves outside of this Agreement. Employees of this bargaining unit may not file claims with respect to the meaning, interpretation or application of this Agreement under any other procedure except as otherwise provided by law.

In order to attempt to resolve grievances at the lowest possible level, each agency's grievance procedure will contain a preliminary step, which will provide that, the employee having a dispute, accompanied by Union representation at the employee's request, will first attempt to resolve it by meeting with his/her immediate supervisor, at the time of the act or omission giving rise to the dispute, or as soon as possible thereafter in accordance with the timeframes that are clearly defined in such procedure. Decisions at this step will not be used as precedent for any subsequent case. If the Employer has a

mediation program available, it will be incorporated into the grievance process as agreed to by the parties.

The parties agree that in order to resolve grievances at the earliest step of each agency's grievance procedure, access to information or witnesses that is specifically requested and available regarding the grieved issue(s) shall be made available to the other party in accordance with applicable laws and regulations.

Section 2. Travel or Expenses

The Employer shall not be responsible for any travel or expenses incurred by Union representatives in the processing of grievances.

Section 3. Advanced Grievance Step Filing

Certain issues which by nature are not capable of being settled at a preliminary step of the grievance procedure or which would become moot due to the length of time necessary to exhaust the grievance steps, may by mutual agreement be filed at the appropriate advance step. All grievances filed at advanced step must be initiated within the appropriate timeframe from the act or omission giving rise to the grievance, or from the date when the employee became aware of, or by reasonable diligence should have been aware of, the act or omission. This timeframe must be consistent with timeframe for initiating grievances that is established by the agency's policy. The appropriate step will be determined by mutual agreement of the parties.

Section 4. Group Grievances

At any point, a respondent to a grievance may consolidate grievances which pertain to the same facts and circumstances. Consolidation may result in accelerated handling of a grievance or may result in movement to a higher step in the procedure without completion of earlier steps.

Article 8 **DISCIPLINE**

Section 1. Corrective Action

The Employer and the Union agree that the purpose of corrective action is to identify performance or behavior that requires attention, and to provide employees with information and opportunities to successfully meet expectations. It is agreed that such actions are neither punitive nor disciplinary in nature. Corrective action may include verbal or written counseling.

Section 2. Standards for Discipline

Disciplinary action may be imposed upon a regular employee in accordance with applicable laws and regulations for the good of the service of the State. The Employer shall make its decision regarding discipline as quickly as possible considering all circumstances. The Employer reserves the right to impose an appropriate level of discipline for the good of the service of the State. Disciplinary action includes conditional

employment periods, dismissals, involuntary demotions, suspensions without pay, unacceptable conduct notices and written reprimands.

Section 3. Disciplinary Process

- a) If an employee is questioned about a matter that he/she reasonably believes may lead to discipline, the employee shall be entitled to advice, assistance or representation by the Union. In these situations, an employee may make this request at any time and will be granted such representation before any further discussion takes place unless a compelling emergency or security related matter necessitates an immediate discussion. An employee, steward, or local Union officer shall not provide such advice, assistance or representation if he/she may also be involved in that same matter. The Employer shall attempt to hold these meetings during the employee's work time. If arrangements for such cannot be reasonably made, the Employer will attempt to schedule the meeting immediately before or after the employee's shift. Such time will be considered work time.
- b) A regular employee will be given written notice prior to the effective date of a suspension, involuntary demotion or dismissal. Such notices will indicate the reasons for such action and provide a sufficient amount of time for the employee to show reasons why the action should not be taken. The employee may choose to respond either in writing or to request a meeting with the appointing authority or designee. An employee may have a Union steward or representative to advise, assist, or represent the employee during any such meeting. An employee shall not be denied the request for the meeting.
- c) The arrangements for assistance or representation shall not delay the proceedings.
- d) Any employee may also select a coworker of their choice to assist as described above.
- e) The Employer may place an employee on administrative leave with pay pending a decision on whether or not discipline shall be imposed.
- f) When a suspension of more than five days, involuntary demotion or dismissal is proposed, a regular bargaining unit employee will be notified of the charge, and before the action is effective, the employee will be given the disciplinary letter and upon request and as permitted by law, documentation regarding the action to be taken. The letter shall set forth in substance the reasons for the action and the employee's appeal rights. However, once an appeal of such disciplinary action is filed under the procedures of the Personnel Advisory Board (1 CSR 20-4) or other agency specific procedure adopted in accordance with 36.390(10) RSMo, all pertinent witnesses and information will be provided in accordance with those procedures.
- g) Grievances and appeals of disciplinary actions are covered by the Rules of the Personnel Advisory Board and/or the procedures outlined in the Grievance article.

- h) If the Employer has reason to correct, counsel, or discipline an employee, it shall be done as privately as possible.
- i) The Employer agrees to inform the employee who is the subject of an investigation of the outcome, in writing, within 7 calendar days upon completion of any investigation.

Article 9

PROBATIONARY EMPLOYEES

Section 1. Probationary Period

The length of an initial or original probationary period is for an employee's first six (6) months. During the probationary period, it shall be the responsibility of supervisors to monitor and evaluate the performance of probationary employees, to document any performance problems, and to provide regular communication and feedback to the employees. Probation may be extended in accordance with 1CSR 20-3.040.

When a probationary period is extended the employee will be provided with a clear indication and documentation of the length of the extension and the conditions that will bring the extension to an end.

A change in the immediate supervisor will not be a reason for an extension of the probation period.

Section 2. Promotional Probationary Period

The Employer will return an employee promoted to a position within this bargaining unit, back to a position within his/her former classification, any time during the six-month probationary period due to inability to perform duties and responsibilities of the newly promoted position classification. The Employer will make a reasonable effort to return the employee to the same work location and shift from which promoted. Extensions may be granted in accordance with 1CSR 20-3.040.

Section 3. Seniority

A probationary employee shall have no seniority until completion of the initial probationary period. Upon completion of the initial probationary period, he/she will acquire seniority from his/her date of hire.

Article 10

SENIORITY

Section 1. Definition

For the purpose of this Agreement, seniority shall be defined as the length of employees' service within their current department.

In the event of a reorganization that requires employees from one state department to report to a different state department, the parties will meet to discuss how to apply seniority.

Section 2. Ties in Seniority

If it becomes necessary to break a tie of two or more employees' seniority, the tiebreaker shall be determined by the employees' total length of state service. In the event the tie is not resolved then the tiebreaker shall be the lowest of the last four digits of their Social Security Number of the affected employees. The employee with the lower number shall be considered least senior in such cases.

Article 11

The Employer will not change the permanent schedule of an employee, except in cases of emergency or unusual circumstances, without first notifying the employees seven (7) days in advance of the changes. - c) In the future, should new classifications be established by the Personnel Advisory Board and utilized by the Employer, the parties hereto shall meet, upon request from the Union to discuss and determine whether such positions are to be included in the bargaining unit. If the parties are unable to agree as to whether the job classifications should be included in the bargaining unit, a party may seek such determinations by the Department of Labor and Industrial Relations pursuant to its rules.

Section 2.

An employee's class specification shall be provided by the Employer upon request by the employee or the Union.
